Bayreuth, 01.08.2018

Programme (in English or German) of a 2 weeks course in psychiatry/psychotherapy

Venue: Bezirkskrankenhaus Bayreuth, Nordring 2, D-95445 Bayreuth, Germany

Each day starts at 08:30 a.m., and ends at 04:30 p.m., and includes lunch and 2 coffee breaks

Day 1 Introduction, Milestones of the History of the Discipline, walk-around in the hospital area, clinical examination (practical training) = 4 Time slots, each slot lasts for 90 minutes

Day 2 to Day 8 follows the same regime and covers diagnosis and treatment of the main mental disorders according to ICD-10-classification (day 2 = F0-disorders, day 3 = F1-disorders, day 4 = F2-disorders, day 5 = F3-disorders, day 6 = F4 & 5-disorders; day 7 = F6-disorders; day 8 = F7-disorders), in detail:

15 minutes introduction, 90 minutes Diagnosis, 2 x 90 minutes: visit to specialized ward & presentation and examination of at least 2 prototypical cases, 90 minutes treatment, 15 to 30 minutes: questions and review of the day

Day 9: visit to specialized ward & presentation and examination of prototypical cases (details of this "in-more-depth" day will be defined during days 2 to 8)

Day 10: Visit of the department of child and youth psychiatry (90 minutes) & Visit of the department of forensic psychiatry (180 minutes); closing session (90 minutes)

Further information:

- Number of participants: 8 (to 10); students should be fluent in English or (even better) in German
- Students should be informed in advance about the necessity of having liability insurance, vaccination against hepatitis B, health insurance and protective medical clothing.
- Address of accommodation: Gasthof Kolb, Wendelhöfen 8, D-95445 Bayreuth; Germany
- Accommodation will be paid directly by the Bezirkskrankenhaus Bayreuth to the Gasthof Kolb (it's very close to the hospital), breakfast is included. Lunch will be served (for free) in the hospital as is done for all other employees. Food for the evening: we will discuss directly with the students (can be served also in the hospital)
- Time period of the course: 28th January to 8th February 2019 (participants should declare their interest until 30th September 2018)
- Needed credit points will be given; written examination and oral test will take place in Prague
